Instructions To Create a new Account in the Spoken-Tutorial Website

Before the Event Manager of the Spoken-Tutorial team can add one as an organiser, the organiser needs to create an account and assign a **Username** and **Password** in the Spoken-Tutorial Website. Follow the steps given below and inform the Event Manager that you have completed it.

To create an account follow these steps:

- Type http://spoken-tutorial.org in the browser. This is the link which you should enter to create your account.
- Locate "**Create a new Account**" on right hand side in blue colour.
- Fill in the details, your **Username, Email-ID and solve A Math question.** For eg. '6+4=10'.
- Click on **Create a New Account.**

You will decide your **Username** and assign it to yourself. Please do not forget it as it will be required in future. Wait for the notification mail from the administrator.

- In the notification mail a link http://www.spoken-tutorial.org/user/8635/edit will be there Click on this link or copy paste this link in the browser.
- Click on **Login.**
- Set your **Password** and remember it for the future use.
- You can login now on www.spoken-tutorial.org with your **Username** and **Password.**
- Inform the Event manager of Spoken-tutorial team when you have finished the above steps and created an account successfully.
